Subject: supply costs and labor for the set

Hi Deborah,

The good news is that it wouldn't take much to reuse! little future cost for you to keep reusing this set.

\$442.50 steel plates

\$ 45 angle iron

\$100 delivery of steel

\$92.50 paint foam caulking

\$26.31 fabric

\$206.36 drain pipes

\$210.00 5 more pipes, paint wood

\$37. wood glue for texture love board, paint etc

\$33.78 case of caulking

\$60 gas

supply total \$1,253.45

only charging labor on the trees .. labor 3 1/2 hours a tree \$36 an hour x 11

\$126.00 for labor per tree X11

cost for labor \$ 1386.00

total cost ; -300 you paid me

\$2,339.45

thank you again for this project.
