Afternoon Todd.

Forwarding along the statement put together by the Board.

The Community Campus will acknowledge the EDC grant as an update in our March/April newsletter. Any communications promoting new staff hires or program service enhancements that are the result of EDC funding will acknowledge the EDC's contribution. We will name the EDC and the funding amount of \$30,000 and the intended use of the grant funds when referencing the EDC. We will follow the communications guidelines set forth in the grant agreement.

Thank you.
