Applicant / Organizational Description

Develop, promote, and support the app.

If you are applying on behalf of an organization, what is your total organizational budget?

Project Information

Detailed Project Description

The VisitWoodstock app can now be downloaded from the Apple AppStore and from Google Play. This request is to pay for the annual software license fee which has been paid out of pocket for the past two years.

Project Timeline

Currently available.

Project Champion

By David Brown as a service to the community.

Project Budget Narrative
