

The Woodstock Area Mountain Bike Association promoted the Woodstock Economic Development Commission and the generous 2024 grant in the following ways:

- Special language in each email promoting the event to our distribution:

Thank you Woodstock EDC and Gray Barns Properties

ESC Weekend is only possible because of the generosity of our community. The grant received by the Woodstock **Economic Development** Commission has prepared **WAMBA** to welcome more than 300 riders. And our friends at **Gray Barns Properties** have stepped up to make this weekend a success. Thank you!

The Eastern States Cup Returns

WAMBA is stoked to bring the **MAXXIS Eastern States Cup** presented by Kate's Real Food back to Pomfret and Woodstock for the third year in a row, the weekend of **September 7-8**. The best Enduro racers in New England will be on display in a celebration of our trails and our sport.

As in years past, we will need many volunteers to pull this weekend off. Please save the date and we'll have specific assignment opportunities soon!

WAMBA is grateful for the continued support of the Woodstock **Economic Development** Commission in making this festival a success!

- Inclusion on the Camping Instructions handout given to every car which spent the weekend in town
